10 things to know about the Libraries for your research

1) Collections
From OSU Libraries, access more than 360 databases, 68,975 unique electronic journal titles and millions of monographs. Recognizing the desire of students and faculty to have 24/7 access to information, the Libraries are rapidly shifting from print to a digital.

2) Interlibrary Loan (ILL)
Can’t find what you need? Use ILL to request books, journal articles, videos, theses, dissertations, conference proceedings and more. We use our extensive partnerships with regional library consortiums, the Center for Research Libraries and international libraries to get what you need. Most materials are delivered electronically to your email and arrive within a few business days.

3) Suggest a Purchase
Want a book, journal or other resource added to library collections? Send your requests to
[valley.collections@oregonstate.edu]

4) ScholarsArchive@OSU
Oregon State University’s digital service for collecting, preserving and providing open access to the intellectual output of the University. Work with us to deposit your research.
[ir.library.oregonstate.edu]

5) Get Published
Talk with us about how we can help you create, manage, distribute and preserve your publications.
[http://cdss.library.oregonstate.edu/digital-publishing]

6) Data Management Services
Consult with our Data Management Specialist to develop your data management plan and learn how we can help you manage and preserve your data.
[http://guides.library.oregonstate.edu/research-data-services]

7) Special Collections and Archives Research Center
Consider using these primary sources in your next research project. Subject strengths include the History of Science, Linus Pauling, OSU history, Natural Resources, and Multiculturalism in Oregon.
[scarc.library.oregonstate.edu]

8) Research Funding
Apply for the Special Collections & Archives Resident Scholar Program.
[http://scarc.library.oregonstate.edu/residentscholar.html]

9) Graduate Student and Faculty Workshops
Learn about the resources the library offers for advanced research and scholarly activity.
[http://guides.library.oregonstate.edu/Library-Workshops-for-Grad-Students-Faculty]

10) Research Consultations
We offer you (and your students) individual research consultations via text, chat, email, phone, and personal visit.

10 things to know about the Libraries for your teaching

1) Library Instruction
Librarians will consult with you to design meaningful assignments that engage students with library resources and collections. Librarians and archivists teach research skills at strategic points in the curriculum. If your class has a specialized research need, talk with us about hands-on instruction for students.

osulibrary.oregonstate.edu/faculty

2) Workshops
The library offers workshops on a range of topics. Help your students learn to use library resources and make research easier and more scholarly.

http://osulibrary.oregonstate.edu/undergraduates

3) Course Assignment Pages
Librarians can tailor a Web page specifically to your class and relevant resources. Tie all of your library resources for students together in one spot.

guides.library.oregonstate.edu

4) Library Tutorials
Help your students find scholarly sources with our tutorials and demos. You can even link to Library Tutorials from your Blackboard Page.

guides.library.oregonstate.edu/LearnAbout

5) Subject Guides
Help your students research more efficiently in a particular discipline by directing them to the appropriate subject guide.

guides.library.oregonstate.edu

6) Course Reserves
Give your students access to course readings by placing them on reserve.

osulibrary.oregonstate.edu/reserves/instructors-guide

7) Assessment
Are you happy with the quality of sources your students find and use? Librarians will help you assess your students’ research skills, evaluate student bibliographies and identify gaps in their knowledge.

osulibrary.oregonstate.edu/faculty

8) Awards
Students who use library collections and services and demonstrate outstanding and original research can receive up to $1,000.

http://osulibrary.oregonstate.edu/awards/undergrad-research

9) Tutoring
During scheduled hours, your students can find peer tutors and GTAs from the College of Science, the Academic Success Center, the Writing Center, and Career Services.
