Add Research Guide content to your Canvas course

To add a part or all of a Library Research Guide (LibGuide) to Canvas

1. Note which box, page and guide you want to use

2. Go to your Canvas course site

3. Create a new Page and name it

4. Click on the blue folder in the menu bar
5. Choose **guides.library.oregonstate.edu** under Please select a site....

![LibGuides Site Selection](image1)

6. Select the **content type** you want to add. You can choose from full guide, page or just a box from a guide.
