The Oregon Weekly Times.

SATURDAY, DECEMBER 25th, 1857.

The Editor.

The Oregon Weekly Times.

To the Editor:

Gentlemen,—I am deeply grieved to hear of the loss of the Electra, which has recently occurred in this sad enterprise. I assure you that all on board were well known to me and were valued by our community as brave and able men. I will not go into details of the accident, as the reports have already been published.

The loss of the Electra is a sad event for Captain Smith and his crew. The Electra was a fine ship and had been in service for many years. It is a great loss to the community and I am sure that the sympathy of all will be expressed to the bereaved families.

Yours truly,

[Signature]

The Electra: The accident occurred on the return trip from the Alaska salmon fishery. The crew was caught in a terrible storm, which lasted for several days. Many of the men were injured and some lost their lives. The Electra was a favourite ship among the salmon fishermen and its loss is a great blow to the community.

Yours truly,

To the Editor:

Gentlemen,—I am writing to express my gratitude for the kind words you have written about my recent trip to California. I was very much impressed by the beauty of the landscape and the friendliness of the people.

I hope to return to California soon and to continue my travels. I have been able to see many places that I had never heard of before and I am sure that my journey will be of great value to me.

Yours truly,

To the Editor:

Gentlemen,—I am writing to express my concern about the recent events in the town. There has been a great deal of unrest lately and I fear that it may lead to violence.

I would like to see the community come together and work towards a peaceful solution. It is important that we all work together to prevent any further conflict.

Yours truly,
